ELEVENTH ANNUAL LIVER SYMPOSIUM

Doubletree Hotel
San Jose
2050 Gateway Place
San Jose, CA 95110

27 September 2008
8:00 am - 12:45 pm

Educational Objectives

At the conclusion of the liver symposium, participants should have:

1. Increased awareness of the latest updates in treatment and management of patients with chronic hepatitis B or hepatitis C
2. Increased awareness of the latest updates in liver cancer and its treatment guidelines
3. Increased participation by primary care physicians in the treatment of patients with chronic hepatitis B, chronic hepatitis C, and liver cancer

WHO SHOULD ATTEND

This program has been planned for primary care physicians, gastroenterologists, infectious disease specialists, nurse practitioners, pharmacists, and physician assistants. Other health professionals may find the program helpful and are also welcome. The anticipated attendance is 120 healthcare professionals. Space is limited.

CONTINUING MEDICAL EDUCATION

The Pacific Health Foundation is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Other health care professionals may receive CME credit upon approval of equivalency as determined by their respective board. The Pacific Health Foundation is responsible for the content, quality, and scientific integrity of this CME activity.

The Pacific Health Foundation designates this educational activity for a maximum of 4.0 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.
